“Update - All- Weather Rugby Facility fund raising breaks €500,000.....”

A total of **€500,596 donations** received from past pupils and lodged with the College. Thank you to all who have contributed.

The Classes from 1970's are leading the way with terrific support from Classes 1972,1975,1976,1977 and 1979 who along with Classes 1959 & 1984 have made significant contributions to date. The Classes of 1988 & 1990 have also supported the project generously and great to see donations coming in from Classes 1963, 1964, 1970, and 1978 and a big shout out for Classes 1995 & 1999 who have now contributed – see graph below (Dec 2023).

The new facility is for the use of all students in Rockwell and will be completed to the highest standards as laid down by World Rugby. It is a facility that Rockwell need to ensure the students can train and compete at the highest level in schools' rugby and safeguard the long standing tradition of rugby in the College. The facility will also be available for use for other sports at the discretion of the College Principal.

We are approaching the project in two phases with Phase 1 (pitch) est. cost €650,000 and Phase 2 (floodlights) est. cost €150,000.

We need to raise €150,000 to complete Phase 1. We have been fortunate to receive some large donations from past pupils to launch the fund raising but we want to see all past pupils involved in the project. The minimum donation that allows Rockwell claim tax relief is €250. All donations are welcome, big or small, corporate or personal, and we hope some past pupils will make larger donations to enable us

progress with this project in 2024. We want to see all Class Years involved so **please support Rockwell College and donate.**

My donation is on the basis that the development of the pitch is intended to support the provision of rugby primarily at Rockwell College and to enhance the provision of sports in general. To that end, boys and girls rugby will have priority of use, as the layout and design of the pitch will be solely for that purpose. PE class groups will also have regular access as is the case with the current all weather hockey and 5 a-side soccer pitches at Rockwell College. Use by all other sports and teams will be at the discretion of the College Principal, notwithstanding the need to protect the facility for the purpose for which it is designed and installed. As the facility is intended to be for the use of Rockwell College students, any hire to external groups will be permitted only at the discretion of the College Principal. In the event, for any reason, the all-weather pitch is not completed or well advanced by 31/12/2024, Rockwell College agree to refund contributions made to all Donors.
